10 years & going strong

In 2008 a group of ranchers had a vision to put on a barrel racing prospect sale with the intention of these foals coming back as 5 year olds to compete for a \$9,000 purse.

Our first futurity run was in the fall of 2013 and the 1st futurity run was a huge success.

After the success we decided why not have a stake race for all the horses that went through our sale that were 6 years old and older. Why not add \$1,000.00 to the purse to make it more inviting.. First stake run was 2014 another success. When 2016 rolled around the idea was brought to us why not hold an open jackpot and cap it at 100 entries we had so much fun with this it was decided to do it again in 2017.

2017 marks our 10th NAERIC BARRELS OF CASH PROSPECT SALE 5th futurity run 4th stake race 2nd open jackpot.

New incentive offered— As added incentive for these foals we have decided that any foals that are sold through the 2017 naeric barrels of cash sale are eligible to be paid into a side pot “roping for \$\$\$\$”which will be held in conjunction with the Manitoba team roping futurity.

The buyer or the seller can pay an additional \$100.00 on top of the sale price of the foal to make that foal eligible for the “roping for \$\$\$ side pot. Must be nominated and paid on sale day at time of purchase

Thank you to all who have supported this event and who continue to do so in the future

Thank You
