**MEDIA RELEASE
FOR IMMEDIATE RELEASE**

A successful weekend at the 9th Annual Saskatchewan Equine Expo.

SASKATOON, Saskatchewan – Prairieland Park organizers and the Saskatchewan Equine Expo Committee would like to thank their partners, The Saskatchewan Horse Federation and the Western College of Veterinary Medicine, along with all the sponsors, the media and volunteers that helped to make the 9th Annual Saskatchewan Equine Expo such an amazing success!

The weekend was filled with information and entertainment, demonstrations and competitions, an industry specific trade show and a showcase of all-things *equine*.

A special thank you to the three incredible trainers for their entertaining performances, and congratulations to Rick Wiebe (Outlook, SK) for being named the winner of the NAERIC Trainer Challenge. Rod Olson (Cardston, AB) and Chris Munro (Red Cliff, AB) rounded out the competitors for the challenge; both with impressive final rounds, making the judge's decision very difficult.

Our feature clinician, Josh Nichol, had standing room only sessions in the Information Theatre and a captivated audience in the Ag Center for his demonstrations.

"The weather definitely cooperated with us this year and we are pleased that the 9th Equine Expo attracted an enthusiastic and knowledgeable crowd of over 8500 people," commented Lori Cates, Agriculture Manager.
