1994 Sorrel Stallion
AQHA Registered

Sire: Genuine Doc

Dam: Legacys Tina

We introduced Docs Editor to our breeding program in the winter of 1999.

Our first foal crop arrived in the spring of 2001. Ed, as we affectionately call him, has sired extremely athletic, versatile offspring from the back yard pet to the show ring or rodeo arena. His fillies have also proved to be exceptional broodmares.

His own reining career was cut short due to injury in 1997.
